RULES OF THE ROAD

CULTIVATE THE HABIT OF CAREFUL DRIVING

Keep your car under control at all times.

Be sure brakes are in good working order.

Dim your lights when approaching other cars, unless your headlights are equipped with a thoroughly effective non-glare device. Glaring headlights are immediately dangerous.

Keep on the right side of the roadway; don't straddle or hug the center line.

Don't pass another car unless you can see the full distance ahead is clear for a safe passing distance. Remember this rule on hills and curves.

Proceed cautiously at intersections, and when meeting pedestrians. Don't permit passengers or merchandise to crowd the driver's seat.

Give proper hand signal when about to slow down, stop, or turn right or left.
