TEAM KENTUCKY®
TRANSPORTATION CABINET

KYTC Utility Coordination Training and Certification

This training provides education on utilities and how they are coordinated with KYTC projects. The first day provides a high level understanding of conducting utility coordination through a project's development process. The second day is intended for utility coordinators and is also a certification requirement for firms performing utility coordination and inspection duties. There is an emphasis on utility impact avoidance, minimization, and the coordination of remaining impacts through utility relocations for the accommodation of roadway construction.

Course Information

Registration is at 8:00am with class from 8:15am-4:30pm both days. On Day 2, the test will be given after the course training.

Trainings will be held at the KYTC Conference Center located at 200 Mero Street in Frankfort, KY.

$500 for KYTC
$525 for Industry
$250 Day 1 for informational purposes only

In order to receive utility coordinator certification, registrant must attend both days and pass the exam on Day 2.

Dates

March 26-27, 2024

May 21-22, 2024

October 2-3, 2024
