**MEMORANDUM**

**DATE:** March 3, 2020  
**TO:** Lexington Area MPO Transportation Policy Committee (TPC) and all TPC Subcommittees  
**FROM:** Max Conyers, MPO Transportation Planning Manager/Executive Secretary  
**SUBJECT:** Notification of Administrative Modification #27 to the FY 2017–FY 2020 Transportation Improvement Program (TIP) and Administrative Modification #10 to the 2045 Metropolitan Transportation Plan (MTP)

On March 3, 2020, the Lexington Area Metropolitan Planning Organization issued Administrative Modification #27 to the FY 2017 – 2020 TIP and Modification #10 to the 2045 MTP.

**Administrative Modification #27:**

This action updates the previously published TIP document and tables. These modifications are considered Grouped Projects\* (HSIP - Low Cost Safety Improvements) which do not affect the financial constraint of the TIP. The modifications are:

Installation of Striping on US 421 (MP 0.000 to MP 8.166):

- Add new project with \$605,000 funding for construction (\$605,000 Federal (HSIP) – 100%)

\* The identification of Grouped Projects involves a commitment of additional funding by the project sponsor. The additional funding maintains financial constraint of these documents. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and general public to be informed of the types of potential projects that may be added to the TIP by Administrative Modification. TIP actions for these projects will not require additional public review, demonstration of fiscal constraint, or a conformity determination (if applicable).

Updated TIP tables are shown below. The Administrative Modification has been posted on the MPO website at [www.lexareampo.org](http://www.lexareampo.org) Please contact me if you have any questions.
