## MEMORANDUM

**DATE:** July 10, 2020  
**TO:** Lexington Area MPO Transportation Policy Committee (TPC) and all TPC Subcommittees  
**FROM:** Max Conyers, MPO Transportation Planning Manager/Executive Secretary  
**SUBJECT:** Notification of Administrative Modification #31 to the FY 2017–FY 2020 Transportation Improvement Program (TIP) and Administrative Modification #14 to the 2045 Metropolitan Transportation Plan (MTP)

---

On July 10, 2020, the Lexington Area Metropolitan Planning Organization issued Administrative Modification #31 to the FY 2017 – 2020 TIP and Modification #14 to the 2045 MTP.

### Administrative Modification #31:

This action updates the previously published TIP document and tables. This modification is considered a Grouped Project\* (Bicycle and Pedestrian Facilities) which does not impact the financial constraint of the TIP. This modification adds the following new SLX grouped project:

- **Avenue of Champions and Euclid Avenue Multimodal Improvements:**

Resurface roadway to install buffered bike lanes from South Limestone to High Street, and add a pedestrian crossing with refuge island at Kroger store.

\$600,000 for Construction Phase (\$480,000 SLX (80%) + \$120,000 Local Match (20%))

\* The identification of Grouped Projects involves a commitment of additional funding by the project sponsor. The additional funding maintains financial constraint of these documents. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP by Administrative Modification. TIP actions for these projects will not require additional public review, demonstration of fiscal constraint, or a conformity determination (if applicable).

Updated TIP tables are on the following page. The Administrative Modification has been posted on the MPO website at [www.lexareampo.org](http://www.lexareampo.org) Please contact me if you have any questions.
