## **Our Lady of Bellefonte Hospital Foundation**

### ***(a) How this program or project fits the purposes of Kentucky Bicycle and Bikeway Commission Grant Program vision statement:***

The program being proposed will fit the purposes of the KBBCGP by:

(1) Educating children and their parents in matters pertaining to bicycle and pedestrian safety by involving them in a hands-on training event where the children will be involved in learning to do bicycle safety checks, the importance of wearing a bicycle helmet and the importance of following the rules of bicycle and pedestrian safety.

(2) Educating children and their parents concerning the health benefits of bicycling. OLBH will soon be launching a new community outreach initiative, Kentucky Healthy Choices (KHC), which will emphasize the importance of eating healthy foods and being active. Realizing that exercise and nutrition go hand, children and their parents attending the bicycle camp will be made aware of the importance of diet and exercise by incorporating educational tools from KHC.

### ***(b) Is this a new project or program or a continuation of an existing one?***

The 2015 Bicycle Safety Camp, the 17<sup>th</sup> year of the camp for OLBH, was a huge success and plans call for the continuation of the same venue and format with very few changes. The Paula Nye Memorial Bicyclist and Pedestrian Education Grant has made it possible for the OLBH camp to continue and thrive when many funding sources have decreased greatly in view of the current economy.

### ***(c) Who will be responsible for the project or program?***

OLBH will be the primary sponsor of the event and employees, who have been involved with the existing event, will be responsible for planning, organizing and staging the 2016 bicycle camp. A number of community agencies and businesses will also offer their specific expertise to the project.

Marketing for the program, to assist with attendance, will be provided by the Marketing Department of Our Lady of Bellefonte Hospital providing newspaper advertising along with colorful flyers for distribution to local schools and throughout the community. The OLBH website, [www.olbh.com](http://www.olbh.com), will have the information along with OLBH Facebook and Twitter.

### ***(d) Is the request is for a onetime project or for an ongoing program?***

The request for funding is for an ongoing program.

### ***(e) Describe the system(s) to be put in place to measure the results of the program.***

The following methods will be used to measure results:

- (1) Attendance
- (2) Informal evaluation by staff/volunteers during the event
- (3) A formal follow-up evaluation meeting of staff/volunteers

**Our Lady of Bellefonte Hospital Foundation**

**Kentucky Healthy Choices

(Goodie bags with Frisbees, jump ropes, water bottles, etc.)		
Bikes		\$ 800.00
(8 to be given away in a drawing. The community being targeted has a high poverty rate and many children attending have never owned a bike.)		
Door Prizes – Awarding by drawing for all children in attendance.		\$ 200.00
Helmets	(100 helmets @ \$ 10.00 each)	\$ 1000.00
Educational Materials		\$ 500.00
Total Grant Funds Requested		\$8,000.00

**Notes:**

- OLBH physicians are asked each year to contribute to the existing Bicycle Safety Camp. Our pediatricians, in particular, are supportive of the camp.
- The local cycling club, Ashland Cycling Enthusiasts (ACE Club), traditionally volunteers at the Bike Safety Camp currently being held each spring. A large numbers of the ACE bikers volunteer at the camp and do a fantastic job with the young bikers!
- "Traffic signs", purchased in 2014 with Paula Nye Grant funds, will be used once again for the 2016 Bike Camp. This one time purchase and help greatly with the "atmosphere" of the camp.
- The effectiveness of the 2016 Bicycle Camp will be evaluated by the coordinators and volunteers. Evaluation will include the amount of food provided and consumed, cost of prizes and goodie bags, effectiveness of the educational presentations, etc.

**Note:** The 2015 Camp received rave reviews by everyone involved. In this year's proposal we have closely duplicated the event and made adjustments to the budget to allow the best use of funding. Years of experience with an ever growing attendance has taught our committee how to distribute the funding in a very conscientious manner to best meet the need of each budget item.

Dear Ms. Dessingue:

In a ruling dated March 25, 1946, we held that the agencies and instrumentalities and all educational, charitable and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* 1946, are entitled to exemption from federal income tax under the provisions of section 101(6) of the Internal Revenue Code of 1939, which corresponds to section 501(c)(3) of the 1986 Code. This ruling has been updated annually to cover the activities added to or deleted from the Directory.

*The Official Catholic Directory* for 2003 shows the names and addresses of all agencies and instrumentalities and all educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories and possessions in existence at the time the Directory was published. It is understood that each of these is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, that no substantial part of their activities is for promotion of legislation, and that none are private foundations under section 509(a) of the Code.

Based on all information submitted, we conclude that the agencies and instrumentalities and educational, charitable, and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* for 2003 are exempt from federal income tax under section 501(c)(3) of the Code.

Donors may deduct contributions to the agencies, instrumentalities and institutions referred to above, as provided by section 170 of the Code. Bequests, legacies, devises, transfers or gifts to them or for their use are deductible for federal estate and gift tax purposes under sections 1055, 2106, and 2522 of the Code.

Kentucky Bicycle-Pedestrian Coordination  
200 Mero St., Division of Planning  
Frankfort, Ky. 40622

Dear Sir or Madam:

I am writing to express my support and ask that you strongly consider funding the application that Our Lady of Bellefonte Hospital (OLBH) is submitting for the Paula Nye Memorial Bicycle-Pedestrian Educational Grant. The funds will be used to provide a bicycle safety camp targeting children who reside in low-income housing in Ashland, Ky.

The Pediatric Department and Healthy Community Services of OLBH in partnership with Community Presbyterian Church of Bellefonte have provided a bicycle camp for the children of our community for the past fourteen years. I have championed the camp since its inception and have actively participated in engaging financial support from the medical community at OLBH. Funding from the Paula Nye Bicycle-Pedestrian Education Grant will enable us to replicate our success and serve additional children in our community.

Your kind consideration of our request is greatly appreciated. If you have any questions, please do not hesitate to call me.

Sincerely;

Cheryl L. Cook, M.D., F.A.A.P
