(d) If the request is for a onetime project or for an ongoing program.

(e) Describe the system(s) to be put in place to measure the results of the program.

Brief description of project:

Since 2013, the Winchester-Clark County community has actively worked on improving access to safe transportation for all users. Building on momentum and successes created from a local project called “Walk-Bike Clark County”, the community has continued to focus on building a sustainable network of partners and community residents to encourage more bicycling and pedestrian activity. To date, our community has developed local bicycling routes for the City of Winchester and rural, long-distance routes for endurance cycling throughout the county. Our Parks and Recreation agency hosts an annual bicycle rodeo that includes a giveaway of bicycles and helmets to children, and teaches proper bicycling safety techniques.

Throughout 2015, and much of 2016, Walk-Bike Clark County focused on achieving the community’s long-time goal of developing the Winchester-Clark County Active Transportation Plan (the Plan). With the assistance of two mini-grants from the KY Department for Public Health and KY Transportation Cabinet, work was conducted to complete the Plan. In this process, neighborhoods were surveyed for walkability, community members gave input through surveys, public meetings, and design charrettes. Additionally, a core team was developed, called the Bicycle Pedestrian Advisory Committee (BPAC) to carry out the administration and intentions of the Plan. BPAC’s vision is for “a prosperous, fit, fun and safe community” and its mission is “to engage in advocacy, action and education”. In partnership with the local non-profit, Bluegrass Trails and Greenways (formerly Bluegrass Rails to Trails), BPAC intends to launch a large-scale education and safety awareness campaign for an 18-month period, from spring of 2017 through fall of 2018.

The proposed BPAC project fits the objectives and purpose of the Paula Nye Memorial Bicyclist and Pedestrian Education Grant. The project will promote bicycle and pedestrian safety by:

- 1) Informing and educating Winchester and Clark County residents on safety awareness for bicycles and pedestrians through a multi-faceted campaign approach.
- 2) Offering bicycle safety courses to children and adults, using a *League Certified Instructor* from the League of American Bicyclists.
- 3) Increasing youth access to bicycles and bicycle safety curriculum through two well-established summer camp programs in our community.

The public safety awareness campaign will include:

- Mass media – public service announcements (PSAs) in local print media, bill board displays, electronic signs, and on the local radio station.
- Social media – weekly PSAs, notices of walking and bicycling events or rides, local and regional projects of interests, and related news on Walk Bike Clark County’s Facebook page. The posts will be boosted to maximize reach, and broaden community participation in BPAC and its events.
- Safety education courses – Safety courses using curriculum and a trained instructor from the League of American Bicyclists will be hosted for children and families to learn how to safely ride a bicycle in their neighborhood and community.

The Paula Nye grant money will allow for a public safety awareness campaign capable of reaching multiple audiences and stakeholders by using several different modes of communication. A need exists for an extensive, multi-media education campaign, exhibited by the crash data for Clark County. Between 2004 and 2015 there were 113 bicycle or pedestrian crashes in Clark County (KY State Police), most of these incidents were between pedestrians and vehicles occurring at non-intersection locations. The first strategy proposed in this safety awareness campaign is to use grant funding to boost the image of Walk-Bike Clark County's Facebook presence in the community. BPAC manages the Walk Bike Clark County Facebook page, and its administrator has found boosting Facebook posts and advertising events significantly increases the reach of those posts versus those without a monetary boost. Based on the Facebook marketing experience of Walk-Bike Clark County, the most effective and efficient expenditures have been short-term boosts with lower dollar expenditures per post. However, notification for large, complex events has required a larger expenditure for longer durations of advertisement. These large, community events are best marketed to the widest possible audience and announced at least two weeks in advance. For the 18 month grant period, BPAC will use the funding to boost posts weekly, monthly, and quarterly. The Clark County GIS Consortium will lead the administration of the social media campaign, and its Board has committed \$1020 in labor costs for this piece of the project.

To reach audiences not on social media, BPAC proposes using three different methods to engage audiences, specifically motor vehicle drivers. First, to educate drivers, the grant funding will allow for two billboards to be displayed, each for a one-month duration. The billboards will include messaging geared towards alerting drivers to adhere to bicycle laws and safety procedures, such as "give bicycles three feet", "every lane is a bike lane", or "the bicyclist or pedestrian could be your police officer, teacher, friend, doctor, pastor, etc."

Second, the Clark County Health Department is placing an electronic message board on Bypass Road in Winchester, directly in front of its new Environmental Health Services building. This location has an average annual daily traffic count of over 25,000 vehicles (KY Transportation Cabinet, Traffic Counts). This electronic board has the potential to maximize reach and impact by sending bicycle and/or pedestrian related PSAs, notifications of local club rides in the area, and promotion of community and regional bicycle and walking events. The Health Department is contributing this message space in-kind to the project, and we expect to use the space a minimum of ten times during the project period, but anticipate a much higher usage.

Lastly, a great way to reach a maximum number of residents in Clark County is to utilize the Community Education catalogs distributed twice annually by the Clark County Community Education Program (CCCE). The catalogs are mailed to every household in Winchester and Clark County, and include pertinent educational material and community class events for the year. Grant funds will be used to purchase space in the catalogs for both PSAs and bicycle safety class announcements. CCCE will contribute \$150 worth of administration time to the project for designing the ads and co-sponsoring the bicycle safety classes and manage registration. The courses will be offered free to the community.

The bicycle safety education courses will be offered through a unique partnership between a local resident and the Clark County Activity Coalition. The Coalition has agreed to donate \$1000 to the project to fund the certification and travel expenses for one local bicycle enthusiast to become a League Certified Instructor (LCI) from the League of American Bicyclists. A LCI is certified to teach Smart Cycling courses to children and adults. The goal is to help people feel more secure on a bicycle, create the mindset that bicycles should be treated as vehicles, and ensure people know how to ride bicycles safely and legally.

A local resident volunteered for this role, and has agreed to offer enough classes to educate at minimum 50 adults and children during the project period. The impact stands to reach far above this goal, as this individual is already in communication with the Clark County Public Schools to use school property to host community classes and beginner rides. The LCI may also be used during summer camps and the annual bicycle rodeo offered by Parks and Recreation. A letter of commitment is attached from the local resident, expressing their commitment to the Activity Coalition and this project.

The promotion of youth bicycling will include:

- Implementing a bicycle safety course for youth participants, ages 5-12 years, in the Winchester-Clark County Parks and Recreation (WCCPR) and Winchester YMCA's summer camp programs.
- Smart Cycling courses for youth throughout the grant period, facilitated by our local LCI and various partners.

The current bicycle rental program operated by WCCPR, funded from a Paula Nye grant in 2013, is gaining in popularity among residents and community organizations. Leadership Winchester takes its participants on the Winchester Alley Tours to showcase the bicycle routes and highlight the program as one adding to quality of life for our residents. During the fall months the bicycles are used for a weekly evening ride, and WCCPR uses the bicycles for programs and daily rentals. The challenge expressed by WCCPR is that they have few bicycles for youth ages 5-12 years, which hampers their ability to offer bicycle trainings in their annual summer camp program. Similar, the Winchester YMCA offers a popular youth summer camp, and does not have any bicycles to use in its programming.

With this grant funding, twenty youth bicycles and helmets, appropriate for ages 5-12 years, would be purchased for the community's summer camps. The Winchester YMCA and WCCPR would work cooperatively, sharing the bicycles during the summer months and throughout the course of the year for programming. Each summer camp program hosts approximately 100 youth, reaching a minimum of 200 youth during each summer of the grant period, and likely beyond. The agencies would use appropriate bicycle safety curriculum and cover all administrative, labor, storage and insurance costs for these programs.

Is this a new project or a continuation of an existing one?

The proposed project is a continuation of existing work started by Walk-Bike Clark County, BPAC and its partner organizations. The additional purchase of youth bicycles and helmets will enhance the bicycle program started by Parks and Recreation, and add a critical partner- Winchester YMCA. A new element in this proposal is the emphasis on public safety and how to effectivity communicate with motor vehicle drivers, bicyclists and pedestrians. This project is in alignment with the recently developed Active Transportation Plan's goal(s) to improve the safety for all users of transportation and provide safe and reliable information to residents and visitors.

Who will be responsible for the project?

Multiple partners involved in BPAC will be responsible for the project. Winchester-Clark County Parks and Recreation and Winchester YMCA will be responsible for implementing, monitoring and sustaining the youth bicycle programs in their respective summer camps. The public safety campaign will be a cooperation between BPAC, Clark County GIS Consortium, Clark County Health Department, and Clark County Community Education. The Smart Cycling classes will be a collaboration of all BPAC partners as needed to implement the classes.

Is this a onetime project or for an ongoing program?

Most aspects of this project will be ongoing for the 18-month project duration, and will hopefully lay the groundwork for further public safety education campaigns and support from other partners. This project will be conducted simultaneously with other BPAC priorities, such as implementation of the Plan, and creating a sustainability plan for BPAC itself, with a goal to become an advisory entity to both the City of Winchester and Clark County Fiscal Court.

Describe the systems to be put in place to measure the results of the program.

Expected outcomes for this project are:

- 1) Increased number of youth and adults learning basic bicycle safety skills.
- 2) Increased confidence in bicyclists for on-road cycling.
- 3) Less annual crashes between motor vehicles and pedestrians and/or bicyclists.
- 4) Increases knowledge of public safety for all users of roadways, including motorists, bicyclists, and pedestrians.

The evaluation plan for this project will include several different methods of data collection. Attendance records at all bicycle safety events, community walking or bicycling programs, and Smart Cycling classes will be monitored, hopefully demonstrating an increase in public safety knowledge. The impact and reach of the boosting of Facebook posts for Walk-Bike Clark County will be tracked and analyzed by Clark County GIS Consortium, and will be shared in all grant reporting documents. Clark County GIS Consortium will also track the crash data for Winchester and Clark County between motor vehicles and bicyclists and pedestrians. The usage of the youth bicycles by Parks and Recreation and the Winchester YMCA will be tracked independently by each organization.

Budget

On behalf of BPAC, Bluegrass Trails and Greenways, Inc., is requesting \$11,104.60 to fund the BPAC project described above. The following table includes the itemized documentation as to how the requested funds would be used by BPAC. Six partner organizations have submitted letters of support for the project with details of their in-kind contributions. The budget table includes some of the contributions and their values. The value of salary, insurance and storage costs for Winchester-Clark County Parks and Recreation and the Winchester YMCA is unknown at this time. The price quotes for the youth bicycles and helmets were obtained from Pedal the Planet in Lexington, KY during September 2016 and this vendor will be the supplier of the materials listed for this program.

SUPPLEMENTAL INFORMSATION

Organization history

Bluegrass Trails and Greenways, Inc., (formerly Bluegrass Rails to Trail Foundation) is a 501 (c)(3) organization, recognized by the Commonwealth of Kentucky's Secretary of State. The original mission of the organization was to acquire abandoned rail lines in Clark County for trail systems. Membership includes local residents and a member of the Winchester City Commission. In 2013, the members decided to change the name of the organization in an attempt to broaden the scope of the mission. The original by-laws are still in effect and the members actively meet, although the name of the organization is now Bluegrass Trails and Greenways. Bluegrass Trails and Greenways is actively working with BPAC, and its members and elected leaders participate in BPAC's monthly meetings. They are excited about this grant project and will serve as the fiscal agent.

Other materials included in grant application:

1. Bluegrass Trails and Greenways, Inc.'s letter from IRS showing status as non-profit organization, letter 1050.
2. Notice of name change for Bluegrass Rails and Trails Foundation, Inc. to Bluegrass Trails and Greenways, Inc.
3. Bluegrass Trails and Greenways, Inc. financial statements for fiscal years 2013 and 2014.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Section A. All Supporting Organizations

	Yes	No
1 Are all of the organization's supported organizations listed by name in the organization's governing documents? If "No," describe in Part VI how the supported organizations are designated. If designated by class or purpose, describe the designation. If historic and continuing relationship, explain.		
2 Did the organization have any supported organization that does not have an IRS determination of status under section 509(a)(1) or (2)? If "Yes," explain in Part VI how the organization determined that the supported organization was described in section 509(a)(1) or (2).		
3a Did the organization have a supported organization described in section 501(c)(4), (5), or (6)? If "Yes," answer (b) and (c) below.		
b Did the organization confirm that each supported organization qualified under section 501(c)(4), (5), or (6) and satisfied the public support tests under section 509(a)(2)? If "Yes," describe in Part VI when and how the organization made the determination.		
c Did the organization ensure that all support to such organizations was used exclusively for section 170(c)(2)(B) purposes? If "Yes," explain in Part VI what controls the organization put in place to ensure such use.		
4a Was any supported organization not organized in the United States ("foreign supported organization")? If "Yes" and if you checked 11a or 11b in Part I, answer (b) and (c) below.		
b Did the organization have ultimate control and discretion in deciding whether to make grants to the foreign supported organization? If "Yes," describe in Part VI how the organization had such control and discretion despite being controlled or supervised by or in connection with its supported organizations.		
c Did the organization support any foreign supported organization that does not have an IRS determination under sections 501(c)(3) and 509(a)(1) or (2)? If "Yes," explain in Part VI what controls the organization used to ensure that all support to the foreign supported organization was used exclusively for section 170(c)(2)(B) purposes.		
5a Did the organization add, substitute, or remove any supported organizations during the tax year? If "Yes," answer (b) and (c) below (if applicable). Also, provide detail in Part VI, including (i) the names and EIN numbers of the supported organizations added, substituted, or removed, (ii) the reasons for each such action, (iii) the authority under the organization's organizing document authorizing such action, and (iv) how the action was accomplished (such as by amendment to the organizing document).		
b Type I or Type II only. Was any added or substituted supported organization part of a class already designated in the organization's organizing document?		
c Substitutions only. Was the substitution the result of an event beyond the organization's control?		
6 Did the organization provide support (whether in the form of grants or the provision of services or facilities) to anyone other than (a) its supported organizations; (b) individuals that are part of the charitable class benefited by one or more of its supported organizations; or (c) other supporting organizations that also support or benefit one or more of the filing organization's supported organizations? If "Yes," provide detail in Part VI.		
7 Did the organization provide a grant, loan, compensation, or other similar payment to a substantial contributor (defined in IRC 4958(c)(3)(C)), a family member of a substantial contributor, or a 35-percent controlled entity with regard to a substantial contributor? If "Yes," complete Part I of Schedule L (Form 990).		
8 Did the organization make a loan to a disqualified person (as defined in section 4958) not described in line 7? If "Yes," complete Part I of Schedule L (Form 990).		
9a Was the organization controlled directly or indirectly at any time during the tax year by one or more disqualified persons as defined in section 4946 (other than foundation managers and organizations described in section 509(a)(1) or (2))? If "Yes," provide detail in Part VI.		
b Did one or more disqualified persons (as defined in line 9(a)) hold a controlling interest in any entity in which the supporting organization had an interest? If "Yes," provide detail in Part VI.		
c Did a disqualified person (as defined in line 9(a)) have an ownership interest in, or derive any personal benefit from, assets in which the supporting organization also had an interest? If "Yes," provide detail in Part VI.		
10a Was the organization subject to the excess business holdings rules of IRC 4943 because of IRC 4943(f) (regarding certain Type II supporting organizations, and all Type III non-functionally integrated supporting organizations)? If "Yes," answer (b) below.		
b Did the organization have any excess business holdings in the tax year? (Use Schedule C, Form 4720, to determine whether the organization had excess business holdings.)

RE: Paula Nye Memorial Bicyclist and Pedestrian Education Grant

Dear Ms. Sipple,

On behalf of the Clark County Activity Coalition, I am writing to support the application of the Bluegrass Trails and Greenways application for the Paula Nye Grant.

The Clark County Activity Coalition (CCAC) is a team of partners representing government agencies, non-profit organizations, and private organization coming together monthly for the mission of encouraging physical activity in Clark County. We believe increasing access to and encouraging physical activity will lead to healthier lives for our residents. The grassroots group started approximately 10 years ago and has many success stories, including the implementation of the award-winning Winchester Traveling Trail and spearheading the initiative Walk Bike Clark County.

The CCAC is pleased to collaborate with Bluegrass Trails and Greenways and the Bicycle Pedestrian Advisory Committee on this grant proposal to increase safety awareness and bicycle training for all ages and abilities. We are pleased to provide \$1000 in support for sending one local resident to a League of American Bicyclists (LAB) League Certified Instructor (LCI) certification course. We believe this is an investment in the community, which will lead to many adults and youth receiving quality bicycling instruction on safety, and on-road skills and techniques; ultimately leading to encouraging life-long skills and enthusiasm for bicycling. Our support will provide funds for the LAB membership, LCI course registration and materials, and incurred travel expenses for the local representative. In return, this individual agreed to teach bicycle classes to at least 50 individuals during the grant period.

Thank you for your leadership in the community and ambition to increase access to transportation opportunities for the Clark County region.

Sincerely,

RE: Paula Nye Memorial Bicyclist and Pedestrian Education Grant

Dear Ms. Sipple,

On behalf of Clark County Community Education, I am writing to support the application of the Bluegrass Trails and Greenways application for the Paula Nye Grant.

Clark County Community Education (CCCE) is a source of education, information and activities for residents of Winchester and Clark County, KY. We strive to collaborate with all sectors of the community, and provide educational opportunities beyond the classroom. CCCE is a partner in programming related to physical activity, including those promoting bicycling and walking.

CCCE is pleased to collaborate with Bluegrass Trails and Greenways and the Bicycle Pedestrian Advisory Committee to increase public safety awareness on bicycling and pedestrian access. We agree to provide \$150 worth of administrative support for developing public service announcements in our Community Education catalogs during the grant period. This catalog goes out twice each year to approximately 15,500 households in Clark County. This support also includes being the co-sponsor of at least two bicycle safety courses, advertised in the catalogs, and managing the registration for the courses.

Thank you for your leadership in the community and ambition to increase access to transportation opportunities for the Clark County area.

Sincerely,

RE: Paula Nye Grant Application

Dear Clare,

On behalf of Clark County GIS, we are writing to support the application of the Bluegrass Trails and Greenways application for the 2016 Paula Nye Grant.

Clark County GIS believes in providing active, safe transportation, a high quality of life, and well-being for all citizens of Winchester and Clark County. This grant will assist in educating many more residents about walking and bicycling safely.

Clark County GIS agrees to provide \$1,100 of social media and website administration services towards this valuable program. This will include communication with the Clark County Bicycle and Pedestrian Committee, as well as Winchester-Clark County Parks and Recreation, and other stakeholders to inform the public about educational and safety events related to walking and biking.

Thank you for your leadership and support of this project to increase access to transportation opportunities for the greater Clark County region.

Sincerely,

Karen R. Bushart, Chair

RE: Paula Nye Memorial Bicyclist and Pedestrian Education Grant

Dear Ms. Sipple,

On behalf of the Clark County Health Department, I am writing to support the application of the Bluegrass Trails and Greenways application for the Paula Nye Grant.

The Clark County Health Department's (CCHD) mission is to serve, enhance, and empower to shape a healthier community. We strive to collaborate with all sectors of the community and remain an active partner in programs and events related to health and physical activity, including those promoting bicycling and walking.

CCHD is pleased to collaborate with Bluegrass Trails and Greenways and the Bicycle Pedestrian Advisory Committee to increase public safety awareness on bicycling and pedestrian access. We agree to provide public service announcements on our digital message board during the grant period. Our digital message board is located along Bypass Road in Winchester, a location with an average annual daily traffic count of over 25,000. This prime location will have high impact on motor vehicle drivers, sending safety information for bicyclists and pedestrians. Bicycle events in the community may also be advertised on the message board, as well as promotion of state-wide and national bicycle and pedestrian events and messages.

Thank you for your leadership in the community and ambition to increase access to transportation opportunities for the Clark County region.

RE: Paula Nye Memorial Bicyclist and Pedestrian Education Grant

Dear Ms. Sipple,

On behalf of Winchester-Clark County Parks and Recreation, I am writing to support the application of the Bluegrass Trails and Greenways application for the Paula Nye Grant.

Winchester-Clark County Parks and Recreation (WCCPR) is here to serve the community and provide access to quality programs and events related to physical activity and recreation. We believe increasing access to and encouraging physical activity will lead to healthier lives for our residents. WCCPR implemented the community's first bicycle rental program, with funds from the Paula Nye Memorial Grant program in 2014. The program has increased access to bicycles and jogging/running equipment for individuals, families, and visitors in Winchester and Clark County.

WCCPR is happy to collaborate with Bluegrass Trails and Greenways and the Bicycle Pedestrian Advisory Committee on this grant proposal to increase safety awareness and bicycle training for all ages and abilities. We are pleased to provide support through administration of bicycle curriculum, insurance coverage and programming in our youth summer camps and throughout the year. In addition, WCCPR will provide storage for the bicycles and helmets at our facilities. Annually, we engage over 100 youth ages 5-12 years in recreation activities during the off-school months.

To-date, WCCPR has not included bicycle programming in the camp activities, due to insufficient number of age-appropriate bicycles and helmets. If awarded the grant, the new youth bicycles and helmets will be used during summer camp, and throughout the year, to educate our youth on basic bicycle safety and build life-long skills. WCCPR will work cooperatively with the Winchester YMCA to share the bicycles, so to increase the number of children exposed to bicycle safety curriculum. WCCPR will provide storage, administrative support, and insurance for the operations of the bicycles and bicycle safety programs.

Thank you for your leadership in the community and ambition to increase access to bicycling and other recreation activities for the Clark County region.

Sincerely,

RE: Paula Nye Memorial Bicyclist and Pedestrian Education Grant

Dear Ms. Sipple,

On behalf of the Winchester YMCA, I am writing to support the application of the Bluegrass Trails and Greenways application for the Paula Nye Grant.

The Winchester YMCA is a community-focused non-profit organization offering recreational programs and services for all ages. We believe increasing access to and encouraging physical activity will lead to healthier lives for our residents. The grant proposal from Bluegrass Trails and Greenways will assist in helping more residents' access bicycles and provide education on walking and bicycling safely.

We are excited to collaborate with Bluegrass Trails and Greenways and the Bicycle Pedestrian Advisory Committee on this grant proposal. We are pleased to provide support through administration of bicycle curriculum, insurance coverage, and programming in our youth summer camps and throughout the year. Annually, we engage over 1000 youth ages 5-12 years in recreation activities during the off-school months.

The Winchester YMCA has not included bicycle programming in previous camp activities. If awarded the grant, the new youth bicycles and helmets will be used during summer camp, and throughout the year, to educate our youth on basic bicycle safety and build life-long skills. The YMCA will work cooperatively with our partner, Winchester-Clark County Parks and Recreation to share the bicycles, so to increase the number of children exposed to bicycle safety curriculum. The bicycles will be stored at Winchester-Clark County Parks and Recreation.

Thank you for your leadership in the community and ambition to increase access to bicycling and other recreation activities for the Clark County region.

Dear Clark County Activity Coalition,

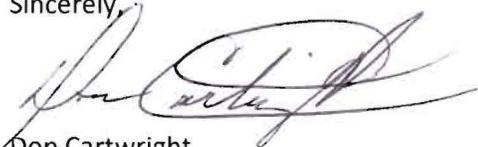

My name is Don Cartwright, citizen of Winchester, Ky., Manager of Gas Control Operations for Delta Natural Gas in Winchester, and father of three sons and two daughters. I started cycling on my own to reduce my weight, increase my cardio, and improve my health and at this time, all of these goals have been met. I am now very interested in sharing this healthy experience with as many people as possible with professional education and training to promote cycling knowledge, safety, and health.

I have been a long distance road cyclist for three years and a member of the Bluegrass Cycling Club in Lexington most of this time. I was recently elected to serve as a Board Member for the BCC and have been very active in club events as well as leading many rides not only in Clark County but many surrounding counties. I am currently working with Winchester's BPAC group promoting and planning healthy activities for our community.

I would be most honored to represent my home town of Winchester as a League of American Bicyclist: League Certified Instructor (LCI). Thank you for the generous donation of \$1000 to fund the certification course and travel expenses. I pledge to conduct classes for the public at the highest level possible, and at minimum will train 50 adults and/or youth in bicycle safety classes from spring 2017 through fall 2018.

Thank you for considering me for this position.

Sincerely,
