SUBJECT: Hardin County – Design-Build Project

The Department has made available a Request for Proposal (RFP) for a design-build project in Hardin County (<http://transportation.ky.gov/Construction-Procurement/Pages/Design-Build-Projects.aspx>). The project will consist of road improvements on KY 251 (Shepherdsville Road) from approximately 1500 feet north of East Bryan Road to KY 434 (Battle Training Road) and on KY 434 from US 31W to the intersection with KY 251. A mandatory pre-proposal meeting is scheduled for October 2, 2015 at 1:00 pm prevailing time in KYTC's District 4 office in Elizabethtown, KY. As part of the design-build project, teams will submit a technical proposal by November 2, 2015 and a price proposal by November 13, 2015. KYTC representatives designated by KYTC's Awards Committee will score the technical proposal prior to the opening of price proposals. The award of the contract will be based on the "Best Value" for the project.
