SUBJECT: Local Public Agency Projects

Please be advised that the KYTC Office of Local Programs and the KYTC District Offices will encourage Local Public Agencies to utilize the established website Local Public Agency Projects, available through a link on our Construction Procurement website, to advertise their projects.

Utilizing this site may give an added benefit to Local Public Agencies by placing project information in a location easily accessed by prequalified contractors.

Please note that this is only a recommendation, and is not a mandatory requirement for the Local Public Agencies; therefore, not all projects may be listed.
