A. Pre-Bid Conference

The meeting was convened at 10:00 A.M (Eastern Time) by Robert Pennell of KYTC Central Office.

Question and Answer

Q: Robert Lail of Delong Concrete asked how long will it take to get a contract.

A: Robert Pennell stated that this contract has been expedited so as quick as they can turn it around.

Q: Randy Donaldson of Velotta asked what is considered a work day.

A: Robert Pennell stated that a work day is defined in the standard specifications.

Q: Star Smith of M 7 M Services asked what joint systems are at the current places where joints are being eliminated.

A: Robert Pennell stated that they are generally slab joints that have been in place since the deck was built and have been overlaid and sealed with hot pour.

Q: Robert Lail of Delong Concrete asked if they would get paid for the signs.

A: Robert Pennell stated yes.

Q: Robert Lail of Delong Concrete asked on the joint elimination would they saw cut and silicon that.

A: Robert Pennell stated no.

Q: Tamra Wilson of KYTC asked if they were trying to maintain 12' lanes.

A: Robert Pennell stated the contractor is to maintain a 10' clear lane at all times.

Q: Star Smith of M 7 M Services asked is there a three year warranty on the joints.

A: Robert Pennell stated yes.

Q: Page 14 of 57 indicates a 100' asphalt approach overlay and page 24 contradicts this with the approach overlay of 25' which is to be used on this project?

A: The correct length on 25' is correct with a compact depth of 1.25 inches. Disregard any conflicting data.

Meeting was adjourned at approximately 10:30 AM.
