MEMORANDUM

TO: All Prequalified Contractors

FROM: Ryan Griffith, P.E. *RCG*
Director
Division of Construction Procurement

DATE: October 17, 2012

SUBJECT: Unnecessary forms included in EBS file

The state funded projects (Call 300's and 400's) inadvertently had the "Certification of Bid Proposal / DBE", "Certification for Federal-Aid Contract", and "DBE Sub-Contractor Bidders List" forms included. There is not a DBE requirement on those projects. Please fill in the fields on this form to turn the folder green so there will not be errors in the bid. The sheet will be disregarded by the Department.

Also, the federally funded projects (Call 100's and 200's) inadvertently had the "Affidavit for Resident Bidder Status" form included. The bidder's Kentucky residence will not have any effect on award of this project. Again, please fill in the field on this form to turn the folder green so there will not be errors in the bid. The sheet will be disregarded by the Department.
