MEMORANDUM

TO: ALL PREQUALIFIED CONTRACTORS

FROM: Jim Johnson
Division of Construction Procurement

DATE: March 28, 2011

SUBJECT: Expedite Bidding Program Update, Version 5.9a-KYTC-1

Please be advised that the Expedite Bidding Program has been update to version 5.9a-KYTC-1, and is available for downloading from the Division of Construction procurement's website. <http://transportation.ky.gov/Contract/Expedite%20Software/>

This update is necessary for Expedite to correctly check the Mobilization and Demobilization totals while excluding the necessary items from the calculations.

The Setup.exe file will create its own new folder located C:\Program Files\Expedite5 9a-KYTC-1 and will update the shortcut just as the past versions. The new version will not affect the existing files that are stored in the old version's folders.

This update should be done now and used to submit bids beginning with the April 22, 2011 letting.

If you have any questions, please contact us at (502-564-3500).
