Division of Construction Procurement

DATE: June 6, 2012

SUBJECT: Wage Determination KY120127

The wage determination, KY120127, included in bid proposals in locality 1 (western part of the state) include the notation "A" for fringe benefits for truck drivers. The wage determination indicates this "A" to mean \$246.70 per week. The United States Department of Labor has instructed KYTC this may be prorated over a 40 hour work week to be paid according to hours worked. Please note this is in addition to the amount shown for fringe benefits in zones 1 and 3.

Also, there are 2 sets of rates for truck drivers in Allen, Butler, Edmonson, Logan, Simpson, and Warren counties in this wage determination. The second set listed as "Zone 1" are the correct wages and the ones that will apply in those counties.
