

Estimator 2.10a

Any new estimates submitted to KYTC beginning with the October 19, 2012 letting should be in version 2.10a.

KYTC Employees

Estimator 2.10a will be downloaded to your computer via Altiris beginning August 15, 2012.

Consultants

Consultants will receive an email from Info Tech Inc., with detailed instructions on how to upgrade to Estimator 2.10a.

IF you have any questions pertaining to the software or upgrade, please contact Info Tech Inc., at (352) 381-4400 and ask for Estimator Sales (for upgrade/keys information) or Estimator Support (Installation/user help).
