The Kentucky Transportation Cabinet has scheduled a Public Information meeting to discuss the proposed RECONSTRUCTION OF KY-144 IN THE VICINITY OF PLEASANT VALLEY ROAD. Transportation employees and their consultants will have exhibits at the meeting and will share, with the public, information concerning the Preliminary Design of the project. Anyone having an interest in this project is urged to attend the meeting. The meeting will be an informal format, with opportunities to view displays and ask questions.

The exhibits will also be available for viewing from 7:00 a.m. to 3:30 p.m. local time after the meeting at the Kentucky Department of Highways District 2 Office, 1840 North Main Street, Madisonville, KY.

Both written and oral statements will be accepted at the meeting. A recorder will be made available for those who desire to make oral statements and a comment sheet will be distributed to make it more convenient to provide written comments. Written statements will be accepted at the meeting and for a period of fifteen (15) days after the Public Information Meeting. Written statements should be addressed to Pamela Waggoner, Environmental Coordinator, KYTC, 1840 North Main Street, Madisonville, KY 42431. All recorded and written statements will become part of the official record. Once compiled, the meeting record will be made available for review and copying only after an Open Records Request has been received and approved.
