The Kentucky Transportation Cabinet (KYTC), District 10 will hold a public informational meeting for the proposed KY 2498 reconstruction/widening project on July 28 at the West Liberty City Hall (2nd floor). The KY 2498 reconstruction/widening project begins at the US 460/KY 2498 intersection and ends just north of the Morgan County ARH Hospital. The project, as planned, will improve highway safety and operations by widening the highway shoulders and improving geometric deficiencies.

The meeting will begin at 5 p.m. with a formal welcome and introduction. The remainder of the meeting will be informal, where attendees can review exhibits and other pertinent information and ask questions or discuss the project with KYTC team members. The meeting will end at 7 p.m. Handouts and comment sheets will be distributed at the meeting. Comment sheets can be filled out and submitted to KYTC representatives at the meeting or by mail until Aug. 14, 2015.

The project is in the preliminary design phase. Right-of-way acquisition and construction dates have not yet been established for the project. All public comments will be reviewed and considered by KYTC.
