

**The Kentucky Transportation Cabinet**  
*is holding a public informational meeting  
concerning improvements to KY 15 from  
milepoint 13.27 to milepoint 14.51*

***Item 10-269.1***

*(From the Hazard Bypass to Morton Boulevard)  
in Perry County*

**Thursday, November 14, 2013  
5- 7 PM  
Perry County Central High School  
305 Park Avenue  
Hazard, KY 41701**

The Kentucky Transportation Cabinet (KYTC) has scheduled a public informational meeting to discuss plans to reconstruct and widen KY 15 from MP 13.27 near the northern end of the Hazard Bypass to MP 14.51 near the intersection with Morton Boulevard. The project consists of reconstruction and widening of the existing roadway to a four lane facility that will improve the alignment, enhance safety, and be designed to meet future traffic demands.

Representatives from the KYTC and their consultants will be available to answer questions, show displays, and provide information about the project. Design plans for the project will be available for review.

In accordance with the Americans with Disability Act (ADA), if anyone wishing to attend this meeting has a disability and requires assistance, please notify Aric Skaggs. Please call (606) 666-8841 or mail your request to the address listed below.

Please address any questions regarding this meeting or project to:

Aric Skaggs, P.E.  
Kentucky Department of Highways, District 10
