

QUESTIONNAIRE

KY 645 Regional Corridor Study

(Item No. 12-115.00)

Website

Please return this form by mail to the address below by January 1, 2005.

The Kentucky Transportation Cabinet (KYTC) would appreciate your comments on the five (5) potential alternates (one no-build and four build corridors) for the possible extension of KY 645 from US 23 at Ulysses to a location along I-64 between Morehead and the Industrial Parkway.

Name:

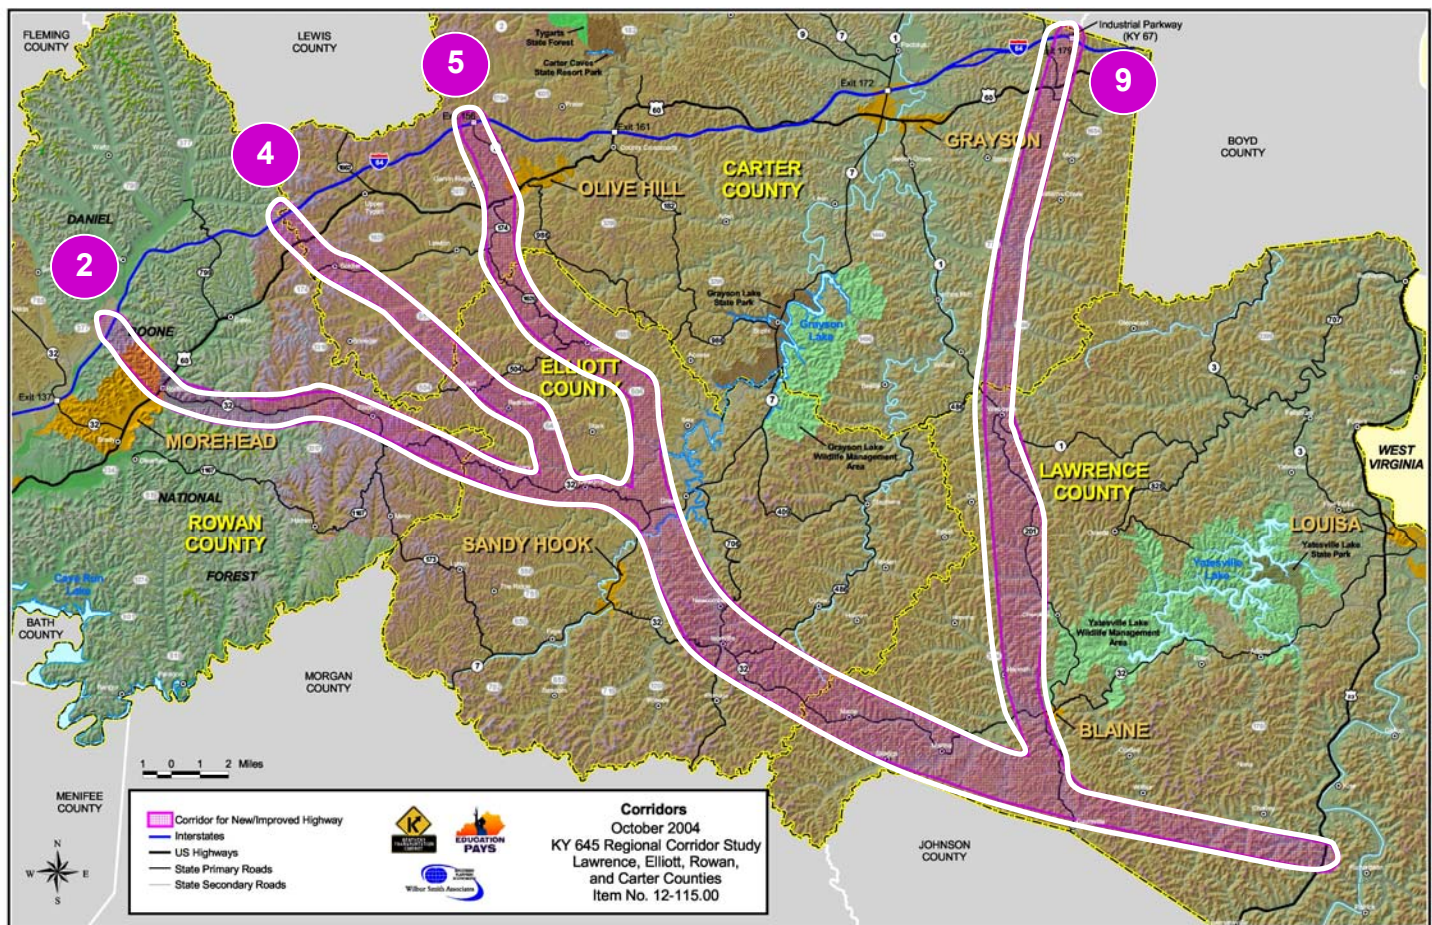

Date:

Representing (title, agency, organization, if applicable):

Address:

Phone (optional):

The following four (4) build corridors are proposed for the extension of KY 645:

Please note: Under KRS 516.030, falsely completing, making or altering this document with the intent to defraud, deceive or injure another is forgery in the second degree, a Class D felony.

Following is a summary of the issues and benefits for each of the proposed alternatives:

Summary of Issues	Alternate				
	No-Build	2	4	5	9
Cost and Constructability					
Traffic and Travel Savings					
Environmental Issues					
Geotechnical Issues					
Public Opinion					
Project Goals and Objectives					

Most favorable alternate in addressing the given issue

Least favorable alternate in addressing the given issue

Please rank the five (5) proposed alternates from 1 to 5, with 1 being the most preferred and 5 being the least preferred:

_____ No Build

_____ Corridor 5

_____ Corridor 2

_____ Corridor 9

_____ Corridor 4

Please list any additional comments you may have related to this project.
