

Name and Address: _____

The Kentucky Transportation Cabinet needs your help and input as we continue work on a planning study to develop and evaluate alternatives for the improvement of US 25 between Dry Ridge and Crittenden in Grant County.

“Short-term Intersection Improvements” Questionnaire

Please prioritize the need for improvements to the following nine intersections by assigning a priority (number 1 through 9) to each intersection. The intersection most in need of improvement should be prioritized #1, the intersection least in need of improvement should be prioritized by #9.
