Department of Highways Professional Services Procurement Bulletin 2014-04 Hopkins / US 41A / 2-137.00 & 2-137.01

This document constitutes a Request for Proposals for Personal Service Contract from qualified individuals and organizations to furnish those services as described herein for the Commonwealth of Kentucky, Department of Highways.

I. PROJECT DESCRIPTION

County – Hopkins

Route – US 41A

Item No – 2-137.00 & 2-137.01

Project Description – Provide Right of Way acquisition services to widen US 41A to 5 lanes from US 41, west to Kingdom Hall Road in Madisonville

II. PROJECT INFORMATION

Project Manager – Jennifer Cox, Right-of-Way Agent Supervisor (District 2)

User Division – Division of Right of Way and Utilities

Approximate Fee – \$400,000 (Estimated/Unit Price Contract)

Project Funding – State Funds (SPP funds)

Project Length – Section 1 – 2.049 miles; Section 2 – 1.446 miles

Number of Parcels – Section 1 – 35 parcels; Section 2 – 39 parcels (some parcels may overlap)

III. PURPOSE AND NEED

The purpose of this project is to assist the Kentucky Transportation Cabinet in providing Right of Way acquisition activities on the above project in Hopkins County.

The subject project is the widening of US 41A to 5 lanes from US 41 west to Kingdom Hall Road in Madisonville for approximately 3.6 miles. This project is a partially controlled access highway. There are approximately seventy-two (72) parcels of mixed uses ranging from industrial, commercial, residential, and special purpose. Acquisitions are predominantly strip takes along US 41A. There are approximately forty-eight (48) appraisals and twenty four (24) MAR's. Approximately three (3) residential relocations, three (3) business relocations, seven (7) miscellaneous moves and one billboard are shown. This project will have proximity damages and possible landlocked parcels.

IV. DBE REQUIREMENT

None

V. SCOPE OF WORK

The selected consultant(s) will be responsible for the following: appraisals; all negotiations

including MARs; and relocation series.

Title Reports have been requested by District Office through Central Office to the Division of Legal Services.

Appraisers must be well versed in SFR, business appraisals (income approach), and various types of commercial property appraisals.

The selected consultant may be required to provide a field office for property owners to reach its personnel. The selected consultant agrees that upon request, staff will be available to assist in responding to FHWA or State inquiries or citations.

1. Titles & Closing

All titles, updates, closings and other legal services shall be performed by an attorney assigned by KYTC Office of Legal Services. Payment for these services shall be the responsibility of KYTC.

2. Appraisals

a. Complex BAV (Before and After Value)

In rare instance, the complexity of a property and/or appraisal problem may require specialized knowledge or increased documentation. Examples of this type of appraisal may include but not be limited to:

1. An acquisition from a university campus where the contributing value of the improvements must be documented as part of the larger parcel.
2. An acquisition from a golf course that affects one or more fairways and/or greens where the appraiser may need to consult an engineer or course designer to determine the true nature of the affect of the taking on the course.

b. Standard BAV

This category will be used for most KYTC appraisals. The contributing value of all improvements must be documented. Damages may apply in the after situation and may include but not be limited proximity, changes in topography, severed remainders, changes in highest and best use, loss of parking, etc.

c. Minor BAV

Used for minor acquisitions in which the amount of just compensation exceeds the maximum amount under which an MAR (Minor Acquisition Review) may be used. Improvements acquired will be minor in nature and will include but not be limited to items of landscaping, fencing and small secondary buildings (i.e. sheds). The principle building is unaffected and its contributing value may be estimated.

d. BV (Before Value)

Used only when the parcel is considered a total take and only the before value is needed.

3. Acquisitions

All Acquisition Parcels are completed following the procedures within Right of Way Guidance Manual.

4. Relocations

a. When relocation assistance is required as part of a contract the selected consultant shall complete an Acquisition Stage Relocation Report (ASSR) for any and all relocations being assigned.

b. All relocation will be done in accordance of 49 CRF, Part 23, Uniform Relocation

Assistance and Real Property Regulations for Federal and Federally assisted Programs and 600 KAR 3:010 Relocation Assistance Payments of the Transportation Cabinet and the Kentucky Transportation Cabinet Relocation Assistance Guidance Manual, revised February 2011.

VI. SPECIAL INSTRUCTIONS

Instructions for Response to Announcement can be found at:

<http://transportation.ky.gov/Professional-Services/Pages/Respond-to-an-Announcement.aspx>

The selected consultant will be required to maintain continuing Professional Liability Insurance of an amount not less than \$500,000 during the life of this contract.

The Department reserves the right to terminate this agreement at any time upon a thirty (30) days written notice to the selected consultant. In the event termination is a result of a cancellation of a project, no deed will be taken for property once notice is received, unless specifically authorized in writing by the Director of the Division of Right of Way. IN the event of termination, the selected consultant will be compensated for work performed through the date of said termination. Work completed, in whole or in part, will become the property of the Department. Any dispute in connection with work not disposed of by this agreement will be referred to the Secretary of the Transportation Cabinet, or duly authorized representative, whose decision will be final.

A 15 month time frame should be allowed for acquisition and relocation of businesses and individuals on this project.

Right of Way contract scoping meeting requirements and general guidelines shall follow: <http://transportation.ky.gov/Professional-Services/Forms/Right%20of%20Way%20Scoping%20Meeting%20Requirements%20General%20Guidelines.pdf>
