Designated Truck Network Routes (STAA Vehicles)

Increased Dimension Trucks Prohibited (No STAA Vehicles)

In compliance with the Surface Transportation Assistance Act of 1992 (STAA) and DOT Appropriations Act of 1993 and 1995, Kentucky has established a network of highways on which motor vehicles with increased dimensions (STAA vehicles) may operate. See above to obtain a listing of the highways.

Motor vehicles with these increased dimensions shall be allowed on state-maintained highways less than (6) driving miles from the designated system and fifteen (15) miles from an interstate or parkway exit for the purpose of obtaining reasonable access to terminals, facilities for food, fuel, repairs, or rest. The allowed access is reduced to one (1) driving mile from the designated system on public use highways which are not state-maintained.

Labels identify Designated National Truck Network Routes.
