**SUBJECT:** Notification of **Administrative Modification #23** to the FY 2021 – FY 2024 Transportation Improvement Program (TIP) and Administrative Modification #41 to the 2045 Metropolitan Transportation Plan (MTP)

---

On September 14, 2022, the Lexington Area Metropolitan Planning Organization issued Administrative Modification #23 to the FY 2021 – 2024 TIP and Modification #41 to the 2045 MTP.

**Administrative Modification #23:**

This action updates the previously published documents and tables. The modification adds the following Grouped Projects\* (Ferry Boat Capital and Operating Assistance) which does not impact the financial constraint of the TIP:

- **Valley View Ferry Authority:**  
Replace Ferry Boat Cable System
  - \$47,068 (80% Fed Ferry Boat Program funds) + \$11,768 (20% Local Match\*\*) = **\$58,834 total**

The updated TIP table entry is shown below (*Note: costs are in \$1,000*). The Administrative Modification has been posted to the MPO website at [www.lexareampo.org](http://www.lexareampo.org) Please contact me if you have any questions.

*\* The identification of Grouped Projects involves a commitment of additional funding by the project sponsor. The additional funding maintains financial constraint of these documents. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP by Administrative Modification. TIP actions for these projects will not require additional public review, demonstration of fiscal constraint, or a conformity determination (if applicable).*
