**MEMORANDUM**

**DATE:** February 2, 2024  
**TO:** MPO Transportation Policy Committee (TPC) and TPC Subcommittees  
**FROM:** Christopher Evilia AICP, MPO Executive Secretary  
**SUBJECT:** Notification of **Administrative Modification #44** to the FY 2021 – FY 2024 Transportation Improvement Program (TIP) and Administrative Modification #62 to the 2045 Metropolitan Transportation Plan (MTP)

On February 2, 2024, the Lexington Area Metropolitan Planning Organization issued Administrative Modification #44 to the FY 2021 – 2024 TIP and Modification #62 to the 2045 MTP.

**Administrative Modification #44:**

This action updates the previously published documents and tables. This modification makes a minor change to the project limits for one grouped<sup>1</sup> project, which does not impact the financial constraint of the TIP. This modification does not make any changes to the project budget or timeline.

**Richmond Rd RCUTs:**

This modification extends the eastern project terminus on KY 418 from MP 2.489, on the west side of I-75, to MP 2.6, on the east side of I-75. This extension of approximately 580 will allow the contractor to extend conduit and wire to connect the traffic signal on the east side of I-75.

*The modified TIP table entry is shown below (Note: costs are in \$1,000). The Administrative Modification has been posted to the MPO website at [www.lexareampo.org](http://www.lexareampo.org) Please contact me if you have any questions.*

<sup>1</sup> The identification of Grouped Projects involves a commitment of additional funding by the project sponsor. The additional funding maintains financial constraint of these documents. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP by Administrative Modification. TIP actions for these projects will not require additional public review, demonstration of fiscal constraint, or a conformity determination (if applicable).
