Move Authorization

Dear Occupant name:

This is a written notice to inform you that the Kentucky Transportation Cabinet has received an approved non-residential fixed rate move payment to move your personal property from the proposed right of way. The approved calculated amount is **\$00,000.00**. This amount is based on the average of your two previous year's net income. This payment is in lieu of all other potential relocation benefits including moving expenses, reestablishment expenses, and searching expenses.

Please consider this letter authorization to begin the move of your personal property. It is required that you give the KYTC advance notice of the date you plan to commence the move. KYTC will monitor the move while in progress. The inventory will be checked at the replacement site to determine if all the items are moved to the new location. If any items are not moved, the amount of the proposed payment will be reduced accordingly.

Before delivering a move payment the relocation agent will verify by an on-site inspection that all personal property has been moved from the proposed right of way.

Should you have any questions or need further assistance, please contact me at the District Office at (000) 000-0000 or by email First.Last@KY.GOV.

Sincerely,
