

This form is used by agri-chemical businesses to obtain a restricted commercial driver license (CDL). The CDL is valid for 60, 120, or 180 days. The applicant for the restricted CDL completes Sections 1 and 2, and 3. The employer, or agri-chemical business, completes Section 4.

After the applicant has submitted a completed TC 94-32, *Commercial Driver License Application*, the TC 94-169, *Commercial Driver License Self-Certification*, and a valid TC 94-157, *Medical Examiner's Certificate Card* to the Division of Driver Licensing, CDL Section, the applicant can take the completed form to the Circuit Court Clerk's office in the county of residence.

For questions about this form, contact the Division of Driver Licensing's CDL Section at (502)-564-1257.
