SUPPLEMENTAL BULLETIN 97-6A

The following Questions were submitted to this office. The answers are provided.

Q: Will the Louisville project qualify for tax-exempt loans?

A: The Cabinet is looking into this option.

Q: Section V.F.3. Discounts: TRW, as a value-added re-seller of equipment, is often able to obtain equipment at substantial discounts. Unfortunately, our purchase agreements with equipment vendors preclude us from revealing any proprietary pricing information such as vendor discount rates. Thus any TRW response to this requirement would have to be limited to a general discussion of the subject. Please confirm that such a response would be considered acceptable.

A: Prices without names would be better than general information.

3. Section V.P. DBE Program: Do "second-' or 'sub-tier" subcontracts qualify towards the 11 % DBE/MBE contracting goal? For example, should TRW decide to use a general contractor, would all of his sub-tier subcontracts with DEB/MBE qualify towards the 11% goal?

A: Yes.
