

Listed below are corrections and clarifications for projects included in the Kentucky Transportation Cabinet's Procurement Bulletin for Engineering and Related Services, Bulletin No. 98-2 dated September 9, 1997.

### *Statewide Traffic and Electrical Engineering*

*The advertisement for Statewide Traffic and Electrical Engineering services has been withdrawn. This advertisement is being postponed at this time to allow the opportunity for firms to submit qualifications in the areas of Traffic and Electrical Engineering and become prequalified in these areas. This project will be re-advertised in the November 1997 Procurement Bulletin on 11/11/97.*

Please check this page for updates before submitting a response. Updates will be posted for projects up to four days before responses are due.
