

Listed below are corrections and clarifications for projects included in the Kentucky Transportation Cabinet's Procurement Bulletin for Engineering and Related Services, Bulletin No. 98-7 dated March 10, 1998.

4-183.00 - Taylor County - US 68 Bypass

- As stated in the Federal Projects to be advertised, 15% DBE Participation is required for this project.

4-193.00 - Grayson County - US 62

- Project will require prequalification in Urban Roadway Design > \$250,000.

STATEWIDE SCOPING STUDIES

- Traffic Forecasting and Surveying have been deleted from the PREQUALIFICATION REQUIREMENTS.

STATEWIDE UNDERWATER BRIDGE INSPECTION

- A link to a map showing the location of all bridges in the Statewide Underwater Bridge Inspection has been added to the Web Page for this project.

Please check this page for updates before submitting a response. Updates will be posted for projects up to four days before responses are due.

Mr. Stephen A. Williams, P.E.
Acting Director
Division of Professional Services
Kentucky Transportation Cabinet
