2010-12 Lee County / KY 52 / Item 10-142.00

QUESTION: Advertisement for this project lists the limits as MP 11.7 to 12.2 while the current highway plan has the limits as MP 12.35 to 12.85. As shown in the advertisement, the project limits do not match up with the project limits in the KYTC project archive either. Please clarify just where the project termini are located.

ANSWER: The project limits are from just west of the KY52/Main Street Intersection (MP 12.25) in the vicinity of where the previous project ended and continues west along KY52 to approximately White Ash Road (MP 11.73). The description in the 2010 plan has been revised. Limits show in the advertisement are correct.
