QUESTION: Item number 5 gives a proposer 5 points for having "Knowledge of, and experience at, "state-owned" airports..... This seems like an unfair evaluation criteria and I am requesting that it be removed and the points be eliminated or re-distributed to the other criteria.

RESPONSE: The Department agrees. Since the intention is for services on a

statewide basis, evaluating on a specific location is not appropriate. Evaluation Factor #5 has been removed. Knowledge of, and experience at, “state-owned” airports, including Capital City Airport (Frankfort, KY), KY Dam Village State Resort Park Airport (Gilbertsville, KY), Lake Barkley State Resort Park Airport (Cadiz, KY), and Rough River State Resort Park Airport (Falls-of-Rough, KY).
