[2018-11 – Bridge Inspection Services - Ohio River Bridges](#)

QUESTION: The Advertisement lists 4 Groups of bridges with an Approximate Fee of \$220,000 Total per Group. Please verify whether KYTC is only selecting a single firm for all 4 groups or selecting 4 separate firms for each package. Also, please confirm that the Total Approximate Fee for each Group is \$220,000.

ANSWER: The Cabinet will select one firm to inspect all four groupings, which are staggered based on inspection schedules. The Total Approximate Fee for the entire contract is \$220,000 rather than \$220,000 per Group. Please see [II. Project Information](#) of the revised RFP for more details.
