QUESTION: The electronic submission instructions states "If specifically noted within the advertisement, a single 8-½" x 11" page may be expanded to two 8-½" x 11" pages or a single 11" x 17" page." There was nothing noted in the KY-61 planning study advertisement. With the large number of disciplines anticipated on this project, will the Department consider allowing a single 11" x 17" page for the Organization Chart?

ANSWER: The Cabinet will allow an expanded single 11" x 17" page for Section 3 of this response to announcement. Please see [VI. Special Instructions](#) of the revised RFP for more information.

CLARIFICATION: Due to a change in Cabinet Project Management, this request for proposals will be cancelled and posted again in a bulletin later in 2023. This will allow the new Project Manager to select the team that will be working on the project.
