Transportation Improvement Program FY 2023-2028  
Administrative Modification #3

**ACTION:** The Owensboro-Daviess County Metropolitan Planning Organization hereby modifies the FY 2023-2028 Transportation Improvement Program (TIP). This modification reflects the identification of a specific project using the Grouped Projects policy.

**ITEM NO.:** 2-930.00

**DESCRIPTION:** Installation of Wrong Way driving signs and pavement markings on various off-ramps in Daviess County

**SCOPE OF WORK:** Safety

**PHASE:** Construction

**TYPE OF FUND:** Highway Safety Improvement Program (HSIP)

**FY:** 2023

**AMOUNT:** \$329,400

**OTHER INFORMATION:** This project adds specific funding for an Highway Safety Improvement Program Implementation project, which is identified in the Grouped Projects table of the TIP; therefore, a TIP Amendment is not necessary. A listing of Grouped Projects has been included in the TIP, allowing planning process stakeholders and the public to be informed of the types of potential projects that may be added to the TIP and Metropolitan Transportation Plan (MTP) by Administrative Modification. TIP actions for these types of projects will not require additional public review. The addition of specific projects from the Grouped Projects Table involves a commitment of additional funding for the projects by the project sponsor (Kentucky Transportation Cabinet). The additional funding maintains financial constraint of the TIP and MTP documents, and no additional financial constraint analysis by the MPO is needed.

The relevant 2023-2028 tables have been modified and are included with this document.

Approved
