Connecting Kentucky by Bike

Join transportation professionals, planners, advocates, elected officials, tourism representatives and cycling enthusiasts from across the Commonwealth for two days of collaboration focused on creating safer, more accessible places to bicycle in Kentucky.

The Kentucky Bicycle & Bikeways Commission advises the Kentucky Transportation Cabinet on bicycle policy, infrastructure, education and advocacy while promoting bicycling as a healthy, sustainable and enjoyable mode of transportation.

CONFERENCE FEATURE - HISTORIC BIKES

An added feature to this year's conference is a collection of historic bikes on display. You don't want to miss it!
