Date: August 20, 2025

Subject: Brent Spence Bridge Corridor Project Subcontracting Opportunities

The Brent Spence Bridge Corridor Project, led by Walsh Kokosing JV, has published the majority of the Phase 2 construction subcontractor and supplier packages. For more details and a full list of the opportunities, visit <https://www.walshkokosing.com/bsbc-current-opportunities>.

Please check the site frequently. The balance of the packages to be posted in the coming days. Direct questions to bsbbwe@walshgroup.com.
