I-69 Ohio River Crossing, Section 1 | **DBT/DBE Matchmaker Event** Monday, August 9 | 4 p.m. to 7 p.m. CT

**Henderson Community College
Preston Arts Center – Stagg Room
2660 S. Green Street
Henderson, KY 42420**

Representatives for all short-listed Design-Build Teams (DBTs) will be in attendance, as well as representatives of the Kentucky Transportation Cabinet (KYTC) and the KYTC Office for Civil Rights and Small Business Development.

KYTC has started the procurement process for a Design-Build Team to construct Section 1 of the I-69 Ohio River Crossing in the City and County of Henderson.

The project includes:

Upgrades to a 2.4-mile portion of the existing US 41 from KY 425 to the US 41 bridge over CSX railroad bridge north of KY 351, which will be redesignated as I-69, including reconstruction of the KY 351 interchange, removal of the KY 2084 interchange and ramp improvements at the Audubon Parkway.

Construction of a 2.9-mile new alignment section of I-69 from the CSX railroad bridge north of KY 351, running north and east to the intersection with US 60 near Bethel Tillman Road and the US 60 bridge over CSX, including construction of new interchanges at US 41 and US 60. KYTC will allow alternative pavement designs for new or reconstructed pavements.
