**SUBJECT:** Annual PR-1391 Report

Contractors and Sub-contractors having Federal-Aid Highway projects are required to submit the Annual EEO PR-1391 Report. Form PR-1391 is to be completed annually by each contractor and each sub-contractor holding contracts or subcontracts, not including material suppliers, of \$10,000.00 or more.

The employment data entered on this form should reflect the work force on the project during all or any part of the last payroll period preceding the end of July 2013.

Contractors and sub-contractors which were inactive during the whole month of July are still required to submit a PR-1391 Report, indicating they were "Inactive".

Form PR-1391 can be found at [www.fhwa.dot.gov/eforms/index.htm](http://www.fhwa.dot.gov/eforms/index.htm). In order to expedite compiling the report, all contractors should be directed to submit original PR-1391 Reports directly to: Attn: Gwen Haggard, Division of Construction Procurement, 200 Mero Street, Frankfort, KY 40622, with a copy going to the District EEO Aide. The reports should be submitted as soon as possible after the end of July, but must be submitted in time to reach this office no later than August 15, 2013. Progress payments could be withheld from the contractors whose PR-1391 Reports are not received by the August 15, 2013 date.

Should you have any question, please contact Gwen Haggard, Program Coordinator of the Compliance Section, Division of Construction Procurement, at (502) 564-3500.
