Matthew G. Bevin  
Governor

Greg Thomas  
Secretary

**TO:** All Contractors

**FROM:** Rachel Mills, P.E.   
Director  
Division of Construction Procurement

**DATE:** May 6, 2019

**SUBJECT:** Design-Build Project / Contract ID 19-9002  
I-75 / Richwood Road (KY 338) Interchange Project (Boone County)  
I-75 / Mt. Zion Road (KY 536) Interchange Project (Boone County)  
I-75 Pavement Rehab – Milepoints 169.5 thru 178.0 (Boone County)

The Department has made available the Instructions to Proposers (ITP) for a design-build project in Boone County:

<https://transportation.ky.gov/Construction-Procurement/Pages/Design-Build-Projects.aspx>

A mandatory pre-proposal meeting is scheduled for May 17, 2019 at 10:00 am (EDT) at:  
Boone County Court House  
2950 Washington Street  
Burlington, KY 41005

As part of the design build project, teams will submit a Statement of Qualifications on May 31, 2019, for scoring by a team of KYTC representatives. Teams selected to continue in the process will submit Technical Proposals on October 4, 2019, for scoring by a team of KYTC representatives. Lastly, teams will submit Price Proposals on October 18, 2019, and a design-build team will be selected based upon a combination of the technical and price proposals.

The purpose of the project is to improve safety and reduce congestion at the I-71/75 interchanges with KY 338 (Richwood Road) and KY 536 (Mt. Zion Road). Each interchange will be reconstructed as a “Double Crossover Diamond” (DCD) and significant improvements will be built along the adjacent roadways including: a “Single Point Urban Interchange” (SPUI) at the intersection of US 25 / KY 338 and a new railroad overpass of KY 338. As well, the project will rehabilitate the condition of over 8 miles of interstate pavement surrounding the interchanges.

In addition to the information made available at the website listed above, KYTC will provide additional preliminary design information to each team at the mandatory pre-proposal meeting on May 17, 2019.
