MEMORANDUM

TO: All KYTC Prequalified Contractors

FROM: Rachel Mills, P.E. *RM*
Director
Division of Construction Procurement

DATE: June 6, 2019

SUBJECT: Design Build 19-9004
Bridging Kentucky Replacements
Various Locations

The Kentucky Transportation Cabinet (KYTC) has made available a Request for Qualifications (RFQ) for a design-build project across more than 20 counties in Eastern Kentucky:

<https://transportation.ky.gov/Construction-Procurement/Pages/Design-Build-Projects.aspx>

A **mandatory** pre-proposal meeting is scheduled for June 18, 2019 at 2:30 pm (EST) at:

Kentucky Transportation Cabinet Central Office
TCOB Auditorium
200 Mero Street
Frankfort, KY, 40601

As part of the design build project, teams will submit a Statement of Qualifications on July 1, 2019, for scoring by a team of KYTC representatives. Teams selected to continue in the process will submit Technical Proposals on September 30, 2019, for scoring by a team of KYTC representatives. Lastly, teams will submit Price Proposals on October 7, 2019, and a design-build team will be selected based upon a combination of the technical and price proposals.

As outlined in the RFQ, this project combines approximately 100 bridge projects being delivered through the Bridging Kentucky program into a single design-build project. The tentative list of 102 bridges – concentrated in eastern and southeastern Kentucky – is included in the RFQ.

In order to be considered for this design-build project, teams must attend this meeting to discuss and clarify issues the projects may have.

The meeting is mandatory for contractors and consultants who intend to be leads on a DBT.
