MEMORANDUM

To: All Prequalified Contractors

From: James Ballinger, PE, PLS *JEB*
State Highway Engineer

Date: April 23, 2021

Subject: Certificate of Eligibility – Extension of 2021 Deadlines

The ongoing Covid-19 Pandemic has created various restrictions on businesses, and the Internal Revenue Service has extended the tax filing deadline to May 17th, 2021. The Cabinet realizes each of these may prohibit timely submittal of the Certificate of Eligibility and could potentially be detrimental to a company's prequalification. As a result, the Cabinet is extending the deadline as outlined.

Companies with a Certificate of Eligibility due on March 31st or April 30th, 2021, will have a new deadline of May 31st, 2021. Companies failing to submit renewal applications by the newly established deadline will lapse on June 30th, 2021; therefore, being removed from the prequalified contractors list.

The Cabinet encourages contractors to submit their renewal applications as quickly as possible. Timely submission will prevent any delays in reviewing the application and ensure contractors remain on the prequalified contractors list.

Please contact the Division of Construction Procurement with any questions concerning this extension.
