MEMORANDUM

TO: All Prequalified Contractors

FROM: Rachel Mills, P.E. *RM*
Director
Division of Construction Procurement

DATE: June 3, 2019

SUBJECT: Contract Documents

There were several changes in the 2019 Standard Specifications for Road and Bridge Construction as it relates to the delivery of contract documents. These changes will go into effect with the June 21, 2019 letting.

In accordance with the Section 103.02 of the Standard Specifications, "The Department will send the official Notice of Award to the email address submitted on the TC 14-1 Certificate of Eligibility application." In addition, Section 103.06 states the Contract and Bonds will also be issued electronically. These documents will be delivered by email as well.

Please ensure the "Contracts" email address included on your Certificate of Eligibility application is correct before the Notice of Award, Contracts and Bonds are issued for the June letting. This office wants a smooth transition to this process. If you need to verify the information on file with the Cabinet, please email Cherie Shelton at Cherie.Shelton@ky.gov or Shella Eagle at Shella.Eagle@ky.gov.

If you have any questions or need additional information, please contact the Division of Construction Procurement at (502) 564-3500.
