**A. Pre-Bid Conference**

The meeting was convened at 10:00 A.M (Central Time) by Tom Mathews of KYTC.

**Question and Answer**

Q: Tony Gialousis from G-Force asked if the lead monitoring is to be performed throughout the project.

A: Tom Mathews stated yes.

Q: Tony Gialousis from G-Force asked if the inspection would be a third party consultant.

A: Tom Mathews stated they would check into getting an inspector from another district and if not it would be a third party inspector. **The inspection will most likely be done by a third party.**

Q: Emanuel Gialousis from G-Force stated that on another project in the state with a third party inspector there had been some problems between the inspector and the contractor and asked if the state had rectified this.

A: Tom Mathews stated that he would check with construction and would get an answer and let them know. **This is misinformed information.**

Q: Emanuel Gialousis from G-Force asked if all repairs needed to be completed before production work begins.

A: Tom Mathews stated yes.

Q: Stephen Harp from Judy C. Harp Co. asked about the hand tool cleaning.

A: Tom Mathews stated that they could power tool clean. **See Special Note for Steel Repairs.**

Q: Stephen Harp from Judy C. Harp Co. stated that it might be a problem maintaining one lane of traffic if they are re-erecting overhead and asked if they could stop the traffic temporarily.

A: Tom Mathews stated yes and to do one at a time.

Meeting was adjourned at approximately 10:20 AM.

Minutes submitted by: Rick Younce

Approved by: Tom Mathews

**CALL #402 NUMBER #122955**

**DISTRICT NO. 1  
BRIDGE CLEANING AND PAINTING  
HICKMAN AND MARSHALL COUNTIES  
08-02-2012 Pre-Bid Field Review Questions**

Q. Will existing structure plans be made available to the contractor?

**A. Yes, the existing structure plans will be posted under the “project related information” link on the Cabinet’s Construction Procurement web site.**

Q. The lane width on the FE02 079 0402 B00040N 09.92 structure measures slightly less than the 12 feet. The notes require to maintain a 12 foot minimum lane. Can this be adjusted?

**A. See addendum 1 for lane width revision.**

**Please check back with our web site for any new addendums, bulletins, Information, Etc. related to this proposal.**
