A. Pre-Bid Conference

The meeting was convened at 10:00 A.M (Eastern Time) by Tom Mathews of KYTC.

Question and Answer

Q: Tony Gialousis from G-Force Contracting stated that he had a concern with the recyclable units working correctly in the winter and asked if the state would consider using black beauty on this bridge.

A: Mike Baase stated that KYTC will take that into consideration and put that in an addendum.

Q: Tony Gialousis from G-Force Contracting stated that sometimes the paint manufacturer will give them an extra 5 degrees and asked if the state would agree to that.

A: Mike Baase stated they would look at the manufacturer's recommendations and wants the steel temperature to be above freezing or 5 degrees above the dew point.

Q: Tony Gialousis from G-Force Contracting asked if they would be able to add time to the contract due to bad weather during the winter.

A: Mike Baase stated that if the weather is bad for an extended period of time then the contract would have to be pushed to the next year.

Meeting was adjourned at approximately 10:30 A.M.
