MEMORANDUM

To: All Contractors

From: Rachel Mills, ^{RM}Director of Construction Procurement

Date: January 23, 2026

Subject: Update to Appendix A – 2026 KYTC Standard Specifications for Road and Bridge Construction

Please be advised that a minor omission was discovered in **Appendix A** of the **2026 KYTC Standard Specifications for Road and Bridge Construction**. The **table of tolerances** pertaining to **Section 601.03.03** has been modified and is now posted on the Division of Construction website:

<https://transportation.ky.gov/Construction/Pages/Kentucky-Standard-Specifications.aspx>

These revised tolerances will be **applicable to all projects awarded in the January 29, 2026, letting**.

601.03.03 – Concrete for Structures; Accuracy of Individual Ingredient Materials for Each Batch

- $\pm 2\%$ for aggregates
- $\pm 1\%$ for water
- $\pm 1\%$ for cement in batches of 4 cubic yards or greater
- $\pm 1\%$ for total cementitious materials in batches of 4 cubic yards or greater
- 0% to +4% for cement in batches less than 4 cubic yards
- 0% to +4% for total cementitious materials in batches less than 4 cubic yards
- $\pm 3\%$ if total admixture dosage required ≥ 34 oz.
- ± 1 oz. if total admixture < 34 oz.

Contractors are responsible for reviewing and complying with these updated tolerances in all applicable projects.
