Subject: Removal of DBE Contract Goals for Select Projects  
June 26<sup>th</sup>, 2025, letting

The Federal Highway Administration (FHWA) provided the Kentucky Transportation Cabinet (KYTC) a list of highlighted projects from the June 13th, 2025, letting advertisement in which the DBE Injunction plaintiff(s) were interested. The FHWA requests that KYTC issue an addendum for the highlighted projects, reducing the DBE contract goal to zero percent. Guidance concerning the injunction may be found in the document "Preliminary Injunction Affecting Disadvantaged Business Program," issued **on November 18th, 2024**. In addition, the selected projects from the June 5th advertisement are attached. An addendum will be processed to remove the DBE contract goals for these projects.
