<b>October 22, 2019</b>	<b>Variable Scope Best Value Proposal Due(Public Opening)</b>
October 31, 2019	Project Award
November 1, 2023	Project Completion Date

**5. DESIGN-BUILD TEAM**

**5.1 PREQUALIFICATION**

It is required that the Design Build Team (DBT) consist of a KYTC pre-qualified Contractor who has engaged the services of KYTC pre-qualified Design Consultant(s) to perform all work required in the forthcoming ITP. If the Design Consultant(s) submitted does not meet all the required qualifications, KYTC may reject the DBT’s SOQ. All sub-consultants and subcontractors utilized by the DBT on this project shall be pre-qualified to perform work for KYTC or their services shall not be allowed.

Acceptable SOQ will require the project team to be prequalified in the specified areas by the SOQ due date as detailed in sections 5.1.1 and 5.1.2. If there are questions concerning designer prequalification, contact Mr. Eric Pelfrey, PE (502) 564-4555. For questions regarding contractor prequalification, contact Rachel Mills at 502-564-3500. Responses that do not have all areas of prequalification fulfilled will be returned.

**5.1.1 CONTRACTOR PREQUALIFICATION**

Consistent with Section 102.01 of Kentucky's 2012 Standard Specifications for Road and Bridge Construction (“Standard Specifications”) all organizations and individuals bidding on Department projects and accepting subcontracts on Department of Highways (“Department”) projects shall apply for and receive Department prequalification and possess a Certificate of Eligibility as provided in regulations published by the Department according to KRS 176.140.

As part of the Statement of Qualifications (SOQ) to be provided by the DBT, the DBT shall identify the members of the Team that are to perform the following **major** work items of work:

<u>(1) Pavement Type</u>	<u>Qualifications for Bidder</u>
Asphalt Pavement	C2
Concrete Pavement	B
(2) <u>Bridges</u>	<b>E3 &amp; I27</b>
(3) <u>Grade and Drain</u>	A

**In order to be registered as an eligible bidder for the project, all construction team members for the DBT that are to be used for major work items shall be identified as part of the submission of the Statements of Qualifications (SOQ).** Organizations and individuals providing other services for the project may be identified in the SOQ, subject to the discretion of the DBT. Any contractor that is to perform work on the project shall be prequalified and possess a Certificate of Eligibility from KYTC prior to beginning any construction activities for this project.

**5.1.2 PROFESSIONAL SERVICES PREQUALIFICATION**

The DBT shall provide all necessary services to design and construct all permanent and temporary portions of the project, inclusive of relocating all affected utilities. Work shall conform to current KYTC, federal, and AASHTO standards, practices, policies, guidelines and specifications where applicable. Additional documents identified within the scope of work shall be provided under separate cover as part of the contract documents. KYTC standards, practices, policies, guidelines and specifications shall control in case of a conflict. The standard of care for all such services performed or furnished under this Agreement shall be the care and skill ordinarily used by members of the engineering profession practicing under similar conditions at the same time and locality.
