MEMORANDUM

TO: All Prequalified Contractors

FROM: Robert Lewis, P.E.
Acting State Highway Engineer 

DATE: November 3, 2015

SUBJECT: Certificate of Eligibility for Unlimited Bid Capacity

Currently, contractors who have a maximum capacity factor amount greater than \$100,000,000 receive an UNLIMITED bid capacity amount on the Certificate of Eligibility.

Based on the Consumer Price Index, the Construction Prequalification Committee has increased the threshold for the maximum capacity factor amount to \$150,000,000.

Any contractor holding a Certificate of Eligibility with UNLIMITED bid capacity amount and whose maximum capacity factor amount is \$150,000,000 or less will be issued a Revised Certificate of Eligibility that will reflect their new bid capacity amount. The revised certificates will be issued in December and become effective for the January 29, 2016 letting.

If you have any questions or need additional information, please contact the Division of Construction Procurement at (502) 564-3500.
