SPECIAL NOTE FOR ON-STREET PARKING RESTRICTIONS

On routes which contain areas with on-street parking, advance warning shall be given to residents and businesses prior to resurfacing activities commencing. Signage advertising the dates and times when parking will be restricted shall be purchased and installed by the Contractor, at no expense to the Department and shall be considered incidental to the bid item for MAINTAIN AND CONTROL TRAFFIC. The “NO STOPPING” signs shall be installed a minimum of two business days (48 hours) prior to any parking restrictions and shall be removed as soon as the restrictions are no longer applicable.

Signs shall be installed along the side(s) of the route where stopping will be restricted, at a maximum spacing of 80 feet between signs. At intersecting side streets and/or alleys, place signs a maximum of 30 feet in each direction from the approach, along the route to be resurfaced.

No Stopping signs shall be purchased from Louisville Metro Public Works in order to utilize towing services provided by the Louisville Metro Police Department. The Contractor shall contact Jerry Cantrell or Marvin Smith at LMPW at (502) 574-8037 or Jerry.Cantrell@LouisvilleKy.gov; Marvin.Smith@LouisvilleKy.gov to place their sign order. LMPW will need a minimum of two weeks notice of the sign needs to ensure they have adequate quantity in stock. The Contractor will need to specify the quantity of signs needed, the dates and times restrictions will be in place and the day the signs will need to be acquired.

The cost is anticipated to be \$6.75 per sign. The Contractor shall remit payment and obtain signs at the LMPW office at 444 South 5th Street, 4th Floor in Downtown Louisville. Signs may be re-used, on this project, as long as they are in like-new and legible condition and date and time restrictions still apply.

Prototype
