CONSTRUCTION MEMORANDUM

No. 01-2018

TO: Prequalified KYTC Contractors

FROM: Ryan Griffith, P.E. *RCG*
Director, Division of Construction

DATE: February 1, 2018

SUBJECT: Asphalt Material for Tack as pay item
Supplemental Specification for Letting of February 23, 2018

New supplemental specifications to the 2012 Kentucky Standard Specifications for Road and Bridge Construction, effective with the letting of February 23, 2018, are now posted on the Division of Construction website.

<https://transportation.ky.gov/Construction/Pages/Kentucky-Standard-Specifications.aspx>

This new supplemental specification changes language in Section 406 to make Asphalt Material for Tack a pay item. This is in a continued effort to stress to importance of this material to overall pavement quality and help ensure pavements live up to design expectations.

Asphalt Material for Tack will be paid in units of Tons, and weigh tickets will be required to be provided to KYTC to determine final pay quantities.
