CONSTRUCTION MEMORANDUM

No. 01-2019

**TO:** Chief District Engineers  
District TEBM's for Project Delivery and Preservation  
District Section Engineers  
All Prequalified Contractors

**FROM:** Ryan Griffith, P.E. *RG*  
Director  
Division of Construction

**DATE:** March 28, 2019

**SUBJECT:** Jobsite Posters  
Federally-funded projects

With the official construction season about to begin, it is a good time to reiterate a contract requirement that can get overlooked. Federal regulations require that federal projects (Call 100's and 200's) including a jobsite poster board or bulletin board with information for contract employees. The requirement says applicable posters be posted at all times in a prominent and accessible place where it can be easily seen by the workers. The required posters are listed on the following website:

<https://www.fhwa.dot.gov/programadmin/contracts/poster.cfm>

Also, the Federal Highway Administration has posted a frequently asked questions page that should be used for reference:

[https://www.fhwa.dot.gov/programadmin/contracts/posterq\\_a.pdf](https://www.fhwa.dot.gov/programadmin/contracts/posterq_a.pdf)

This is not a requirement for state-funded projects (Call 300's and 400's).

If you have any questions, please contact Gary Grigsby at (502) 564-3500.
