### **Transportation Cabinet to hold public meeting for bypass project in Scott County**

*Regarding the noise attenuation for the proposed Northwest Georgetown Bypass*

LEXINGTON, Ky. (Sept. 16, 2011) – The Kentucky Transportation Cabinet will hold a public meeting to discuss the proposed noise attenuation design for the Northwest Georgetown Bypass.

The meeting will include the results from the input received for the sound attenuation design for Canewood and Derby States subdivisions. Handouts containing information about the project and a presentation of the preferred alternate designs will be available at the meeting.

Residents can receive the information about the noise attenuation at next week's public meeting, which will take place 5-7 p.m. Thursday, September 22, 2011. The meeting location is the Western Elementary School Gymnasium, 1901 Frankfort Pike in Georgetown.

Highway engineers will be available to provide information and answer questions about the project at the meeting.
